

Knob Brumaire

with steel nut

Knob in polyamid filled with microscopic glass beads, allowing for high-impact resistance and durability.

Standard color is black.

↑ Fastening, nut is in zinc-plated steel.

Optimum utilisation between -50° and 130° Celsius, outstanding resistance to chemicals, oil as well as tough climatic conditions.

Product also available in stainless steel.

On our website www.boutet.fr you have free and instant access to all 3D files in all 80 most popular CAD formats.

BOUTET is investing, each year, 15% of sales in Research and Development Projects. New innovative materials are under constant scrutiny.
