

Knob Brumaire

with through insert

Knob in polyamid filled with microscopic glass beads, allowing for high-impact resistance and durability.

Standard color is black.

T Fastening, insert is in zinc-plated steel.

🔧 Optimum utilisation between -50° and 130° Celsius, outstanding resistance to chemicals, oil as well as tough climatic conditions.

Product also available in stainless steel.

On our website www.boutet.fr you have free and instant access to all 3D files in all 80 most popular CAD formats.

Most BOUTET products can be "wrapped up" in high-tech silicone rubber for an amazing softness of touch. And silicone has also the highest temperature resistance, 280° Celsius.

BOUTET introduced, in september 2009, the 1st full service e-shop for industrial components, with free access to live real-time stock levels. **SAME DAY UPS Shipping** to 45 countries, and satellite tracking of your parcels. The total customer experience.

Internal thread version

Knob "Brumaire" with internal thread, through hole
